The Blue Ribbon Ceremony provides our amazing community with hope, inspiration and support for those impacted by colorectal cancer and those at risk – from survivors to the newly diagnosed to loved ones to healthcare professionals to those simply wanting to help.

You will learn about the latest advancements for colorectal cancer. You will hear stories of survival. And you will be connected with others in the colorectal cancer community.

The Blue Ribbon Ceremony is a **free** event open to all. Light refreshments will be available.

Together, we will make the difference needed to save lives and propel research.

No registration is needed. For information, please contact Deborah Danko at (607) 252-3937.
