

CAYUGA HEART INSTITUTE PRESENTS:

# Cardiac Connections

FREE EDUCATIONAL SERIES & SUPPORT

## "A Patient's Guide to Atherosclerosis"

**April 12, 2017 • 7:00 p.m. – 8:30 p.m.**

Bonnie Howell Education Center C & D

Cayuga Medical Center • 101 Dates Drive • Ithaca, New York

*Light refreshments*

For some people, a heart attack is the very first warning sign of coronary artery disease. Although a heart attack has a sudden onset, it is usually caused by a slow and progressive disease: Atherosclerosis.

Over time, the process of atherosclerosis causes arteries to become hardened and narrowed, blocking blood flow to your heart. But how does it develop? Who gets it? And how can it be managed and prevented? Find out the answers to these questions and more.

**For more information, please contact:**

Stephanie Agurkis, RN • (607) 274-4590 • [cardiacconnections@cayugamed.org](mailto:cardiacconnections@cayugamed.org)

**Presenter:**

**Marcis T. Sodums, MD**

*Interventional Cardiologist at  
the Cayuga Heart Institute*

A Member of Cayuga Health System

*Cardiac Connections is a free education series that occurs the 2nd Wednesday of every month. The Cardiac Support Group meets on the 4th Wednesday of every month.*
