

CAYUGA HEART INSTITUTE PRESENTS:

Cardiac Connections

FREE EDUCATIONAL SERIES & SUPPORT

"The Truth About Women and Heart Disease"

February 8, 2017 • 7:00 p.m. – 8:30 p.m.

Bonnie Howell Education Center C & D

Cayuga Medical Center • 101 Dates Drive • Ithaca, New York

Light refreshments

Did you know that heart disease is the number one cause of mortality among women, causing approximately one death every minute? Often times women experience symptoms that are quite different than men and women are less likely than men to survive their first heart attack. There are many misconceptions about heart disease in women, and they could be putting you at risk.

Join Tina Ellis, CMA's Cardiology Physician's Assistant, for this very special Heart Month presentation.

Presenter:

Tina Ellis, RPA-C

Cayuga Medical Associates Cardiology
