

FREE COMMUNITY LECTURE SERIES

Psychological Assessments and Occupational Therapy Intervention for Children

March 15 • 7:00 p.m. – 8:00 p.m.

Cayuga Wellness Center
3rd Floor • 310 Taughannock Blvd • Ithaca, New York

Learn about psychological assessments that identify the strengths and needs of a child or teen, self-advocacy and treatment interventions, and how to shape the home environment to provide "therapeutic" opportunities every day.

Presenters:

Francesca Balada, PsyD
Clinical Psychologist

Eleanor Liebson,
OTR/L, PYT, DRS
Occupational Therapist,
Cayuga Medical Center
