

"The staff is wonderful. My care is close to home. During tough times this is what matters most."

Mickey Gallagher, Groton, New York

Highest Quality Cancer Care Locally

Our new chemotherapy center at our East Campus in Ithaca includes quick convenient access to healthcare professionals: oncology nurse navigator, oncologists and more.

Chemotherapy and physician visits in a comfortable setting designed to continue our high standard for patient care:

- Individualized compassionate patient care
- RNs nationally certified in administering chemotherapy
- Conveniently located on the east side of Cayuga Lake
- Patient education and support for your appropriate therapies

10 ARROWWOOD DRIVE | ITHACA, NY 14850
